

Commodore All Star League

1958 - 1983

Published by Ray Aney

"25th Anniversary Issue"

It was a happy day for me when the "All Star League" came to the Commodore Lanes.

The League was started by Frank Sanie in 1958, due to Richards & Farish dominating the old Senior City League for so many years. The league was set-up as a Three Man team Scratch League as it remains today after 25 years.

Over the years, we were providing the best bowlers with the best competition in Western Canada.

The All Star League is the only league we know of to have nine perfect 450 games bowled in the league.

Nick Baily	62-63 & 74-75
Hank West	63-64 & 69-70
Lloyd Cox	67-68
Ken Shea	68-69
Ed Mallett	69-70
Russ Baird	74-75
Larry Johnson	81-82

The statistics, done by Ray Aney for the past 15 years, is unmatched. No other league has ever duplicated this excellent record keeping.

I wish to thank all the bowlers for the support they have given me and the Commodore Lanes.

Best of Luck in the 1983-84 Season

Mitz Nozaki

It doesn't seem that long ago when we sat down in the 'snake room' at the Commodore Lanes and wrassled over rules and regulations and the Constitution for the new league. Yes, it was February 26, 1958.

One item that may interest you was the cost of bowling - it was moved and seconded that the total cost would be \$2.25, of which \$1.25 went for prize money - don't scoff man - that was a lot of hay then.

Bowlers in attendance at the meeting were:- Dave Bisset, George Newton, Nels Murphy, Ron Beaumont, Hank West, Ray Bryant, Ernie Wray, Nick Baily, Wilf Smith, Bill Coburn, Ray Walz, Hal Halperin, Frank Scarfe, Don Dalles and Glen Stevens.

Mind you, a lot of spade work went on prior to this meeting, as the league presented an entire new concept to the game which generated much interest. Not too many years after the league's operation, other cities followed suit, even ten pinners went the same route.

They say, a league is only as good as its records, statistically writing, the All Star League is second to none in the Dominion.

It was indeed fortunate that the All Star League found its home at the Commodore Lanes in 1958, where 5 pin bowling really enjoyed its heyday ... and fortunate for me to be part of the scene.

Frank Sanie,
League Director.

COMMODORE ALL STAR LEAGUE

INDIVIDUAL STATISTICS

No stats were saved for the 1958-59 season - stats for hits were not kept until 65-66 season - cornerpins until 68-69 - all individual totals are averaged out so they are only approximate for bowlers who competed in the league prior to these years. This book includes all bowlers with more than 100 games in the league. Column under the total line is the average for a 128 game season.
