3 perfect games in the same year! Must of us just want to get one in our lifetime
18 games over 400! I would be happy with 1 in the year.

A 1605 total for 4; thats over 400 every game. If I ever throw 800 for 3 I'm estatic.

Will there ever be another bowler who this good in our game again? E-mail me if you

know of someone who has accomplished something this impressive.
